

Twelve Weeks of Christmas

Week Seven Commentary

Enjoy this week. What does this have to do with Christmas? Everything!
Christmas is a heart opener and what can our hearts be open to????

Love= the force that brings all things to completion, the power of evolution
God = manifest creation, unmanifest Source - the two aspects of ALL THAT IS
Faith = all is going to a Divine Plan (seriously? look at it out there!)
Perspective = Source of Inner peace
Silence = the medium out of which Truth becomes known
Unity = e.g. see three parts of the understanding of God, item #2 above
Christmas = the opportunity to be our best self - giving, giving, giving!

Only Love (that's all there really is!)
