

State of Grace Contemplation

“Blessed are the pure in heart, for they shall see God.”

A pure heart (our inner essence) has a clear focus.

It is perfectly clear on its identity and purpose.

We are the LIGHT and as we realize this more and more, we become
the CARETAKERS¹ OF THE LIGHT.

We see (acknowledge) this LIGHT as
having taken form
as all of Creation.

A Caretaker is a lover of God.

And what is a lover of God?

One who acknowledges Him in and as all things.

One who “sees” only the ONE.
